

Bug ID	1
Summary	Incorrect validation message for the Last name field
Severity	Low
Functionality	Registration
Steps to reproduce	Open website https://buggy.justtestit.org/ Click on "Register" button located on the top right corner. Fill out Login, First Name, Last Name. Clean the Last Name field.
Expected results	Validation message: Last Name is required
Actual results	Validation message: First Name is required
	 <p>The screenshot displays the registration page of the 'Buggy Cars Rating' application. The page features a header with the site name and a navigation bar with 'Login' and 'Register' buttons. The main content area contains a registration form titled 'Register with Buggy Cars Rating'. The form includes input fields for 'Login' (containing 'tauser02'), 'First Name' (containing 'Test'), 'Last Name' (empty), 'Password', and 'Confirm Password'. A red error message 'First Name is required' is displayed below the 'First Name' field, indicating a validation issue. The 'Last Name' field is empty, which contradicts the 'Expected results' mentioned in the bug report. The footer of the page includes the copyright notice '© 2016 Buggy Software, Inc.' and social media icons for Facebook and Twitter.</p>

Bug ID	2
Summary	Incorrect validation message for password requirement
Severity	Medium
Functionality	Registration
Steps to reproduce	<p>Open website https://buggy.justtestit.org/</p> <p>Click on “Register” button located on the top right corner.</p> <p>Fill out Login, First Name, Last Name.</p> <p>Set a password with less than 6 characters.</p> <p>Confirm the same password.</p> <p>Click on “Register” button</p>
Expected results	Expected a user-friendly validation message containing the minimum requirements for the password.
Actual results	Validation message: InvalidParameter: 1 validation error(s) found. - minimum field size of 6, SignUpInput.Password
	 <p>The screenshot shows the registration page of 'Buggy Cars Rating'. The page has a header with the site name and navigation links. Below the header, there is a section titled 'Register with Buggy Cars Rating' containing several input fields: Login, First Name, Last Name, Password, and Confirm Password. The Password field contains the text '****'. Below the input fields, there is a 'Register' button and a 'Cancel' link. A red error message is displayed below the 'Register' button, stating: 'InvalidParameter: 1 validation error(s) found. - minimum field size of 6, SignUpInput.Password'.</p>

Bug ID	3
Summary	Home page broken from “Popular Make” page
Severity	Low
Functionality	Voting
Steps to reproduce	<p>Open website https://buggy.justtestit.org/</p> <p>Fill out login and password from the top right corner.</p> <p>Select the “Popular Make” option.</p> <p>Click on the “Buggy Rating” button to go back to home page.</p>
Expected results	From the Popular Maker listing page, I should be able to click on Buggy Rating button and redirected to home page.
Actual results	Clicking on Buggy Rating button doesn’t go to home page
	 <p>The screenshot shows the 'Buggy Cars Rating' website. The top navigation bar has a 'Buggy Rating' button highlighted with a yellow circle. Below the header, the Lamborghini logo and name are displayed. A table lists two models: Diablo (Rank 1, 1257 votes) and Revuelto (Rank 2, 658 votes). A yellow box at the bottom left of the screenshot contains the URL 'https://buggy.justtestit.org/broken'.</p>

Bug ID	4
Summary	Author not displaying after voting
Severity	High
Functionality	Voting
Steps to reproduce	Open website https://buggy.justtestit.org/ Fill out login and password from the top right corner. Select the “Popular Model” option. Click on the “Vote!” button.
Expected results	Vote counted and displaying: Date Author Comment (optional)
Actual results	Vote counted but author is not being displayed
	 <p>The screenshot shows a web browser window with the address bar displaying a URL from buggy.justtestit.org. The page title is "Rating" and it features a Lamborghini logo and a photo of a yellow Lamborghini Diablo. To the right of the photo, there is a "Specification" box listing "Engine: 6.0" and "Max Speed: 29km/h", and a "Votes: 1256" box with the text "Thank you for your vote!". Below the photo, there is a section titled "Diablo" with a paragraph of text describing the car. At the bottom of the page, there is a table with columns "Date", "Author", and "Comment". The table contains one row with the date "Oct 28, 2023, 1:14:44 AM", an empty author field, and a comment "bhhfjh jhuuy 876 544 5665 hjyfh gfhgvhjgh gtytrd hdd @".</p>
